Loch Fad. This pretty loch, set like a jewel in the island of Bute, is rather small as Scottish lochs go, although its Gaelic name actually means the long loch. The blue hills of Bute strike sapphire shadows down into its clear water, and not far from the dun which crosses its upper end lies the old kirkyard that is the burying-place of the Lords of Bute.

Loch Fad. This pretty loch, set like a gem amid the hills of Bute, is rather small as Scottish lochs go, but it is very well stocked with trout. The road to Rothesay skirts the long loch. The loch is of pure water supply for Rothesay, and the water is carried for from the dam which can be seen at the end of the loch. Yon is the burying place of the Lords of Bute.
